- **Presentation:**
 - Presentation by Virginia Simmons TVET Specialist
- Activity materials
- Power point slides
- 21st Century video clip

Activities/Assessment:

Details

1: How would you compare teaching in the 21st Century with the current teaching practice in your own country? Be prepared to provide a brief informal verbal observation to the group.

Details

2: How will your LP project support embedding of "21st Century" teaching practice in your country?

Notes:

ACTIVITY 1 Reflection on presentation – Leadership in TVET

Details

1: Reflect on the presentation by Virginia Simmons, TVET specialist on the practices/topics presented that you would like to find more information on to help develop your own strategy to lead and embed others through your LP project? Be prepared to present and discuss your findings with the group.

2: How do these leadership practices compare to those used in your own country? Be prepared to provide a brief informal verbal presentation of your reflection to the group.

ACTIVITY 2

Details

1: How will you incorporate leading change practices in your LP project to support embedding of the project in your country?

Notes:
