## Preparing group-based delivery instructions

### Preparing for group-based delivery session (practicum)

Notes:

### Instructions

- Working in your designated group, your team will brainstorm ideas based on an agreed (simulated) WPR project for delivery of a 40 minute group-based training session.
- The purpose of the session is to inform the participants on how you would design, develop and inform your participants in country of your WPR Project to obtain their buy in and acceptance during the implementation phase.

Notes:

Notes:

## Instructions (continued)

- Each team will prepare their session delivery using the template provided for assessment A6 and time will be allocated for the team to prepare resource and materials for their sessions
- Participants will complete a feedback form on each session and as a group we will review and discuss at the end of the workshop
- The intention of the feedback and review is to help develop facilitator skill and knowledge to assist them in completing the individual component of A6 with their own WPR implementation.
